## PERSONAL PROFILE

I am an Information Technology student at Brawijaya University with a deep interest in Quality Assurance Testing, IT Support, Frontend Web Development, and UI UX Designer. I enjoy taking on complex challenges and am constantly looking for opportunities to apply my skills directly through real projects. Throughout my journey, I have developed skills in leadership, team collaboration, and problem solving. I believe that the learning process never stops, and I am enthusiastic about continuing to grow alongside a strong and committed team. My commitment is to make a real impact through technology, with a passion for sustainable growth, innovation, and adding value at every turn in the company.
